

# PHS BOOSTER CLUB

"CONTRIBUTING TO PEWAUKEE HIGH SCHOOL EXCELLENCE"

Dear Pewaukee High School and Middle School Parents,

One of the truly wonderful things about Pewaukee is the wide range of opportunities available to our students. Every student has the opportunity to get involved in something. Many of them get involved in several activities. The students' participation helps to make their educational experience more fulfilling. It also helps them develop into more well-rounded individuals.

The Pewaukee Booster Club raises money to support all of our clubs, activities and extra-curriculars. That effort has been facilitated by generous parents and a supportive community. Last year the Booster Club was able distribute more than \$60,000 to Pewaukee's clubs, sports and activities. The following list is a *partial list* of the groups who received Booster Club grants last year:

Academic Decathlon	Football	Poms
Baseball	Cheerleading	Robotics
Band	Cross country	Rock climbing
Boys and girls	Drama	Swim team
basketball	Golf	Tennis
Best Buddies	Hockey	Volleyball
Boys and girls soccer	Key Club	Wrestling
Bowling	Model UN	

The Booster Club hopes to be equally generous during the upcoming academic year, but we need your help. The money we distribute comes from membership dues in the Booster Club, revenues from event concessions, participation in the 50/50 raffles at school-sponsored events, and attendance at our Annual Dinner Dance.

We hope each of you will help us support Pewaukee. Please start today by joining the Booster Club. All Booster Club members receive 10 complimentary passes to school-sponsored events and a high school directory as an expression of our appreciation. Members of the Pirate Club also receive a Limited Edition "Pewaukee Pirate" 50"x60" Landway Stadium Blanket. Please consider joining us to support the Booster Club, our students, our school and our community.

We hope all of you have a fun and rewarding school year.

**PEWAUKEE HIGH SCHOOL BOOSTER CLUB**
